

Notice of Change of Possession of Aircraft (Relinquishing party unavailable)

This form is used to notify the CAA of a change in possession of an aircraft, under Part 47 of the Civil Aviation Rules, and to seek the grant of a new Certificate of Registration, where the relinquishing party is unavailable.
For more information see Advisory Circular AC47-1. Payment of the \$263.00 fee must accompany this form. Incomplete or unpaid applications will not be processed and may cause delays in processing the application while follow up information/fee is sort.

When should this form be used?

Use this form if you have lawful entitlement to possession of the registered aircraft for a period of 28 days or longer. This form should be used only where the party relinquishing possession is unavailable.

Section 2 of the Civil Aviation Act 1990 defines "owner" of an aircraft to be the person lawfully entitled to possession of the aircraft for 28 days or longer. Although the Act and Rules refer to owner, a Certificate of Registration is not legal title for the aircraft – it is simply a record of the person who is responsible for the aircraft. It is the "owner's" responsibility under the Act and Rules to notify the CAA of any change in possession that would require a change in the registered owner of the aircraft.

Who should complete this form?

This form is to be completed by the person(s) taking possession of an aircraft for 28 days or more.

Maintenance providers and/or aircraft sales agents **cannot** sign the form on behalf of the applicant.
